2021 CAMP THEME DESCRIPTIONS

Air and Space	Is it a bird? Or a plane? Learn all about what is above us through games and activities this week.
Amazing Race	Travel the world at the Kroc through thrilling timed challenges and games. Watch out, there are detours at every turn!
Crafting Camp	Uncover creativity and explore the world of art through a different project each day. Test different artistic methods, like watercolor, scrapbooking and woodworking. Showcase your creation with an art show at the end of the week.
Basketball Camp	Dribble, shoot and score your way through this week! Campers will compete in games and challenges including a tournament at the end of the week.
Battle of the Bands Camp	Does your child like to play with your pots and spoons and make a lot of noise? During this camp, they will be making their own instruments, performing, and creating their own bands that will battle to see who is the most rockin' at the Thursday night program.
Blast From the Past	Every day a different decade! Explore what it was like to live "back in the day" through crafts, music, dance, and games!
Boot Camp	In Boot Camp, campers will have a blast doing obstacle courses and drills designed specifically for their age and developmental level. Throughout this week children will face constructive challenges through workouts to have fun and stay fit.
DIY/Life Hacks	Solve problems and bring life to everyday objects. Learn how to repurpose common items in uncommon ways, and grow your resourcefulness and life skills.
Faith Week	We're turning up the volume at Faith Week to remind each kid that they can have confidence because of Jesus. When kids begin to see themselves the same way that Jesus sees them, then real confidence begins to take root and grow. All kids will get to spend a fun, memorable week learning these foundational Truths to begin understanding the base of their confidence.
Fashion Designer Camp	Throughout the week, campers will have the chance to design and create their own clothing. At the end of the week, they will have an opportunity to participate in a runway fashion show!
Fitness Fun	Feel the burn and learn the basics of fitness fun and healthy eating with games and a variety of workouts.
Gardening Camp	Do you have a green thumb? In this camp, kids will have the opportunity to learn about gardening and create a community garden together.
Imaginarium Camp	Let imagination run wild in this fun and engaging camp that inspires teamwork and creativity through art and design.
Incredible Edibles	Spark mouth-watering culinary creativity and learn lifelong cooking skills in a fun, safe and interactive environment
Into the Future	What if we could travel into the future? How different would it be from now? During this week campers will get to imagine how the future would be by creating their own futuristic cars, houses, and meet some friendly creatures! It will be a week of imagination and creation.
Inventors Camp	Use imagination, creativity, and everyday items to create inventions Ben Franklin would admire.
Kroc Aquatic Olympics	A week of friendly competition featuring Olympic games centered around water sports.
Kroc H2O Camp	Kroc H2O will have different outdoor activities involving water. We will play with water balloons, a giant slip n slide, sand volleyball, water relays and pool games. Campers will be introduced to different types of activities for great outdoor fun.
Lego Robotics	Use Legos to create robots and complete tasks with coding.
Magic and Mystery	Learn new magic tricks and how to solve mysteries.
Music and Movement	Turn the volume up and get down by learning a new instrument each day of the week, plus learn some moves to dance along.
Musical Theater Camp	Own the stage with fellow campers while developing acting skills and confidence. An unforgettable play will wrap up the week.
Ninja Warrior	Do you have what it takes to be a ninja? In this camp you will learn cool moves to impress your friends. Have fun while earning ninja headbands.
Open Laboratory	Feel like a mad scientist during this week. Campers will learn about science while creating and exploring new science experiments.
Partner Sports	Sports are more fun when enjoying with other people. In this camp you will participate in all sports involving a partner.
Recycled Art	Ever wonder what to do with those empty milk jugs? In this camp, campers will learn the importance of recycling while making wonderful works of art!
Science Explorer Camp	Explore science by designing fun filled experiments and examining how everyday items work.
Space Art Camp	Transform the art room into a space adventure while learning about the stars, planets, and space exploration through creative projects
Super Sports	Give a new sport a try! Each day you will try unique events like track and field, archery, frisbee golf, and more!
Ultimate Sports	Jump into the wide world of sports and expand your skills and sports knowledge! Learn a different sport each day and build teamwork skills!
Under the Sea Art Camp	There are so many beautiful things under the sea. In this camp explore the ocean while creating wonderful works of art.
United States Expedition	America the Beautiful, from "Howdy, Y'all" to "Aloha." Explore the fifty nifty United States by exploring their unique culture and food.
Water Adventures	Enjoy a week of creative underwater exploration, games and fun.
Wilderness Survival	Could you survive in the wilderness? Have your camper put their skills to the test while safely supervised in the Kroc backyard.
